Dear Praying Friends,

Thank you for your prayers and support for our family. So much has happened since our last letter. In our last letter, I mentioned our trip to renew visas. About a week before we left, we were advised that we should start our residency while in the US because it might be more difficult later, because of the enforcing of the US laws concerning our borders. We decided we should sell our car and buy one in Mexico, rather than importing it. After arriving into Texas, our car broke down, so instead of selling it for the maximum amount, we had to settle with a small amount. It is not enough to buy another car. We were blessed by a family and a church with offerings toward the purchase of a car. We are praying the rest comes quickly.

While in Texas, we started sending our documents to be apostilled through the State of Texas. After several delays, including the loss and delay of several documents, we were able to take them to the Mexican Consulate. We started the paperwork for our temporary residency with the help of our Mexican attorney. The attorney is working on it at this time. Hopefully we will have them in the next week or so.

While in Decatur, I was able to go visiting with my pastor. On one of the visits, my pastor was able to lead a young man to the Lord, and the next week, his friend was led to the Lord. They both came to church one night of the Revival meeting. During another service, a young man named Seth, walked the aisle, and I was able to lead him to the Lord. It's really exciting to watch the Lord do His work through His people. I'm thankful to have a part in His work.

We were glad to finally arrive home on Monday. Please continue praying for our ministries here. We look forward to being back at our church tonight.

Serving Him,
Ernie Flores Family
