Dear Praying Friends,

Thank you for your prayers and support for us and our ministry. We have been home for a little over a month now. The Lord is faithfully doing a work here in Xalapa. A few weeks ago, my wife attended a ladies conference at another church. I have been able to preach most of the services here as the pastor is away. I have continued the song leading and visiting as well. This past week, one of our church members tragically lost her dad. Another pastor and myself went to be with the family.

We had a special service on Sunday. We passed out many flyers inviting people to the special day. We were excited to see so many visitors. A man from our church preached and there were 18 kids and 5 adults saved that morning. I had the privilege of leading 2 of the men to the Lord. I have attached photos from these services.

We are still in need of a vehicle. Please continue praying with us about this. We are looking to buy one for \$5,000 or less, but we are still needing to raise most of the funds. We are trusting the Lord will provide. **Proverbs 3:5,6** says, **“Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.** Not only are we trusting Him to provide the funds, but that He will direct us to the right vehicle. We are looking forward to seeing Him provide.

We are hoping to start our church in August. We will start purchasing the chairs, hymnals, keyboard, and other things soon. We will need to find the right building in our area for the right price. That isn't an easy task, but we trust the Lord can do that as well.

We are still waiting for our residency to be completed. Our attorney says things are moving along, and she believes they will be done soon. Ours must be completed before they can present Noah's. Please continue praying for us in all these requests. Thank you again for the part you have in our ministry.

Serving Him,
Ernie Flores Family
