Dear Praying Friends,

Thank you for your continued prayers and support for our ministry. Time is passing along quickly as we prepare to start the new church. We are anxiously praying the Lord will lead us to the building He has for us. Once we find the building, we'll then be able to have tracts made with the church information on them. We are looking into buying the hymnals, chairs, pulpit, etc. We were blessed with an offering to help with the rent of a building. We are eager to see what God is going to do.

We have had many answered prayers recently, and I'd like to share a few of them with you. The Lord has provided a vehicle for us. Such a tremendous blessing! We had been without one since February. We are so thankful for all that were involved in fulfilling this need. We also received our temporary residency cards. Praise the Lord! We have been working on this for over 4 months. Now we are just waiting for Noah's to be completed.

Last month during children's church a young boy was asking many questions about the Lord. The pastor's wife took him aside, and began sharing the gospel with him. This boy was gloriously saved!

A few weeks ago, during our hospital ministry, I had taken a few Bibles to give out. As I approached an elderly couple and asked if they'd like a Bible, their response was, "Yes! We were talking about buying a Bible this week." They were so grateful to be given one. They said, "This is a blessing from God." We are thankful for the BEAMS ministry that supplies these precious Bibles.

The ladies have begun a Thursday evening soul winning ministry. It is such a needed blessing. Please pray for this new ministry.

The Lord continues to work here in Mexico, and because of that, the devil is raging. I'd like to share this verse with you. It's a help to me. **"Thou hast put gladness in my heart, more than in the time that their corn and wine increased. I will both lay me down in peace, and sleep: for thou, LORD, only makest me dwell in safety."** Psalm 4:7,8 Please continue praying for us and the new church. We are praying for you too.

Serving Him,
Ernie Flores Family
